RE: Route 17 Drainage Improvements

Project Impacts: Starting June 6, 2011 Graniterock's Pavex construction division will be working on route 17, from route 35 north 2.8 miles.

Due to specific lane closures that will be worked on, access to your home will be impaired during the construction hours. Graniterock's Pavex construction division's number one goal is to provide a safe working environment to the public and our employees, and we ask for your cooperation to mitigate any potential hazards that may pertain to the access to your property.

We would like to apologize for any inconvenience this may cause you.

Questions: Pavex Construction will try to minimize any inconvenience to the residents and the general public. If your access becomes impaired during the construction hours, please call the Pavex Field Supervisor, James Young at (831) 750-2447 or the Pavex Project Engineer, Sergio Rubio at (408) 639-0083. For safe guidance through our work environment, Please do not hesitate to contact any field personnel with your immediate needs. Thank you for your cooperation.
